IMPORTANT

You must initial *all* of the following to indicate you understand this information, and select your payment method.

We require **at least 10-14 days lead time** to schedule opening and closing appointments. The open or close date that you request at the top of this form must be far enough out to allow our scheduling department time to coordinate with technicians. If the open/close date entered on this form is not at least 10+ days in the future, no appointment will be scheduled. **"I understand":** _____

Return Trip Charge \$100 - It is (non-Winter Maintenance) customer's responsibility to remove all water and leaves from pool cover prior to opening. Pool water level must be filled to middle of skimmer so equipment can be started. Leave out opening supplies (handrails, ladders, baskets, etc.). Ensure power is turned on to equipment timer. Make sure pool area is accessible for opening or closing. If the above is not done, a return trip fee may be assessed so we can complete the job. **"I understand":** _____

Freezing Temperatures - If closing services are performed after the first freezing temperatures of the year, we assume no liability for damage that may occur to pipes, tile, pool surface, fixtures, or any other equipment as a result of ice buildup, expansion, or any other problems related to the cold weather. **"I understand":** _____

All debit, credit, digital and electronic payments are **processed via PayPal**. A **3% processing fee** will be added to payments made via debit/credit card and PayPal. If paying with a check, whether physical or electronic, no work will begin until that check has completely cleared our bank.
